

EIRICT Meet-up

2 June 2015, 15:00-17:30
TU/e, Zwarte Doos – Filmzaal

June 2 we organize a meet-up on the occasion of the three years in operation of EIRICT (since March 2012). Two EIRICT researchers will give presentations and five Ph.D. candidates will give a short summary of their research projects. Johan Lukkien, director of EIRICT, will review the progress and sketch how EIRICT should evolve into the future. The event will be concluded with networking drinks.
